The GARY F. WHITLOCK MEMORIAL SCHOLARSHIP* is awarded in memory of Gary Whitlock, Montclair High School Class of 1977 and a teacher and chess coach in the East Orange public schools. Gary was passionately interested in black culture, and this scholarship is given to MHS students who share this interest and who have also demonstrated intellectual curiosity, artistic ability, a commitment to helping people in need and/or a love of chess and sports, all traits embodied by Gary.

**The Montclair Scholarship Fund, Inc., a non-profit, 501(c)(3) organization, which has been awarding scholarships to MHS students for nearly 50 years, administers the Gary F. Whitlock Memorial Scholarship. As permitted by law, a portion of your ticket price is tax-deductible.*
